by Lauren Langdon. Music videos can be a great way to make a name for yourself as an independent
filmmaker. The artist will use your video to promote his work as he tours – plus, the small amount of time
you spend creating the video nets you regular promotion from major fans. While a music

5 Tips to Direct Your First Music Video

The best way to make a music video that will be overlooked by those who matter in the industry is to make a
video that is very obviously based on the song's lyrics. This is an understandable tendency for narratively
oriented filmmakers, but the problem is that, as a music video director, you're quite simply not allowed to
make sense.

How to Make a Music Video: Planning, Shooting and Editing

How to Be a Music Video Director. If you have a passion for telling a visual story to music, you may be

The Two Golden Ages of Animated Music Video Music videos have been being made since the mid 1960s and had their breakthrough in the mid 1970s. Since then it has been the main marketing tool for breaking new pop and rock artists in the international market. When MTV opened on August 1st 1981 by showing the video Video

Gunnar Ström - The Two Golden Ages of Animated Music Video

Some music videos get to be very literal when it comes to the lyrics of the song; some are completely abstract. However you decide to do it, this is the place in the treatment to go into detail. I like to break down the video into scenes and describe each separate scene in a paragraph or two and will usually add some photos as well.
