Maya Angelou (1928-2014) was a modern day Renaissance woman " author, poet, activist, dancer, singer, director, teacher and hero. After her death last month, I was flooded with submissions from you to adapt one of her poems. I was a bit daunted when choosing which one to adapt since there are so many great poems to choose from which mean so much to so many people.

What is Narrative Therapy? A Definition. Narrative therapy is a form of therapy that aims to separate the individual from the problem, allowing the individual to externalize their issues rather than internalize them. It relies on the individual's own skills and sense of purpose to guide them through difficult times ("Narrative Therapy", 2017).
