The Chinese garden is a landscape garden style which has evolved over three thousand years. It includes both the vast gardens of the Chinese emperors and members of the imperial family, built for pleasure and to impress, and the more intimate gardens created by scholars, poets, former government officials, soldiers and merchants, made for reflection and escape from the outside world.

Large eat in kitchen. Oh the things I would do with this! It really is a nice kitchen but I can see a large kitchen island/bar. I think that I would paint the cabinets a pretty white and maybe take out a few and add open shelves just like we have seen Joanna Gaines do on so many of her kitchens renovations.
