National Geographic (formerly the National Geographic Magazine and branded also as NAT GEO) is the official magazine of the National Geographic Society. It has been published continuously since its first issue in 1888, nine months after the Society itself was founded. It primarily contains articles about science, geography, history, and world culture.

The map is great in it's detail and its durability, but it's not really any better than the free one they'll give you at the park entrance. When I went to Bryce Canyon and Zion Nation Parks last year, I bought the National Geographic maps ahead of time and they helped me plan out the hikes to do at each.
