This "philosophical biography" provides a thoughtful, chronological overview of the key ideas contained in Nietzsche's writings, taking each book in turn, but I would hesitate to respond by offering a review of Nietzsche.

Nietzsche: A Philosophical Biography by RÃ¼diger Safranski

Friedrich Nietzsche (1844â€“1900) was a German philosopher and cultural critic who published intensively in the 1870s and 1880s. He is famous for uncompromising criticisms of traditional European morality and religion, as well as of conventional philosophical ideas and social and political pieties associated with modernity.

Nietzsche's Philosophical Context: An Intellectual Biography

Safranski's treatment of Nietzsche's life is, as the subtitle indicates, predominately a philosophical biography. As such, speculations regarding Nietzsche's love interests, or details pertaining to the causes of his mental collapse and behavior during the subsequent decade leading up to his eventual death, remain sparse and are left largely unexplored.
