

notes on the literary pdf

Posting a word wall of literary terms is the best way to improve your students' academic vocabulary. I use them every day in my classroom, and I'm sure you will too! This set of literary term posters and notes will enable your students to refine their literary conversational skills and enhance t...

Word Wall Literary Terms Academic Vocabulary and

A literary element, or narrative element, or element of literature is a constituent of all works of narrative fiction—a necessary feature of verbal storytelling that can be found in any written or spoken narrative. This distinguishes them from literary techniques, or non-universal features of literature that accompany the construction of a particular work rather than forming the essential ...

Literary element - Wikipedia

Literary theory in a strict sense is the systematic study of the nature of literature and of the methods for analyzing literature. However, literary scholarship since the 19th century often includes—in addition to, or even instead of literary theory in the strict sense—considerations of intellectual history, moral philosophy, social prophecy, and other interdisciplinary themes which are of ...

Defining Characterization Characterization is the process by which the writer reveals the personality of a character. Characterization is revealed through direct characterization and indirect characterization. Direct Characterization tells the audience what the personality of the character is. Example: "The patient boy and quiet girl were both well mannered and did not disobey their
