The bottom of the valley was very wet. Thick plant life held the moisture close to the surface and the water flowed from under his feet . at every step. He picked his way carefully across the valley and followed . the other man's footsteps along the rocks which made small islands in a sea of wet plant life. Although alone, he was not lost.

So we see, to play successfully the game of life, we must train the imaging faculty. A person with an imaging faculty trained to image only good, brings into his life "every righteous desire of his heart" - health, wealth, love, friends, perfect self-expression, his highest ideals. The imagination has been called, "The Scissors of The
